Target Role: Vice President, Business Analyst

Company: Uobgroup

Subject: Application for Vice President, Business Analyst - Kartik Bhatt

Dear Hiring Manager,

I am excited to apply for the Vice President, Business Analyst position at Uobgroup. With over 3.5 years of experience at KPMG and GlobalLogic, I specialize in process automation, Power Platform ecosystems, and Copilot AI agents.

At KPMG, I built a complete Power Platform solution driving 20,000 reach outs annually and architected automated GenAI workflows.

At GlobalLogic, I engineered QA frameworks for Google's GenAI training datasets, lifting delivery quality from 74% to 95%.

I welcome the opportunity to bring this technical expertise to Uobgroup. Thank you for your consideration.

Sincerely,

Kartik Bhatt
