Target Role: Drivetrain - Business Analyst - Customer Platform

Company: Drivetrain

Subject: Application for Drivetrain - Business Analyst - Customer Platform - Kartik Bhatt

Dear Hiring Manager,

I am excited to apply for the Drivetrain - Business Analyst - Customer Platform position at Drivetrain. With over 3.5 years of experience at KPMG and GlobalLogic, I specialize in process automation, Power Platform ecosystems, and Copilot AI agents.

At KPMG, I built a complete Power Platform solution driving 20,000 reach outs annually across 13 sectors and architected an automated multi-modal Copilot agent.

At GlobalLogic, I engineered QA frameworks for Google's GenAI training datasets, lifting delivery quality from 74% to 95%.

I would welcome the opportunity to bring this operational and technical expertise to Drivetrain. Thank you for your time and consideration.

Sincerely,

Kartik Bhatt
